

# eSilicon – BUILD-IT Female Student Scholarship

Engineering and technology, key STEM disciplines, play a very important role in developing society as well as providing an exciting range of career opportunities for students. eSilicon strongly encourages and supports female engineering students to excel academically, give back to the community and take on leadership roles in the future.

The eSilicon-BUILD-IT Female Engineering Student scholarship is sponsored by eSilicon and awarded through the Building University Industry Learning and Development through Innovation and Technology (BUILD-IT) Alliance, implemented by Arizona State University.

This scholarship is open to:

## 1 Female

Vietnamese students of selected BUILD-IT academic partner institutions who are

## 2 Completing

a bachelor degree in Electrical Engineering, Electronics and related majors, in particular related to Semiconductor Design who show academic excellence with a latest full academic year GPA score of 7.0 or above, English language skills and the ability to lead and assist others in Vietnam and globally

## Awards

eSilicon and BUILD-IT will celebrate and recognize up to 5 scholarships this year at the annual STEMCON in Ho Chi Minh City. Award recipients receive the following:

- 6,500,000 VND cash award
- Top level winners will be offered an internship or Graduate employment with eSilicon Vietnam

Deadline to apply is Monday, 5th February, 2018.
